## LEON HESS, Chairman of the Board

"It all starts at the top."

That's a common phrase when talking about the success of any professional operation, and it particularly holds true with the steps taken to bring about the resurgence of the New York Jets.

Chairman of the Board Leon Hess declared his desire to return the club to the forefront of the NFL when he announced that he would be taking a more active role in the day-to-day running of the club.

"We are very optimistic about where we are going from here," said Hess. "We will end up with a winning team. The fans want a championship, the fans deserve it. The organization wants it, the organization deserves it. Leon Hess, at my age, would sure love to see a winning team while I can still enjoy it."

Hess has shown patience and commitment towards building a solid foundation. He has stood behind the Jets' building program and has seen the club advance to the NFL playoffs two of the past three seasons, and four of the last seven. In the process, he has seen the club remodel with a mix of veterans and young players to mold for the present and future.

Hess has also fought long and hard to achieve first-class conditions for both the players and fans throughout the years.

After citing Shea Stadium as "the NFL's poorest facility for athletes and spectators alike," Hess announced plans to move to the Meadowlands prior to the 1984 season. As a result, the last four seasons, thousands of additional Jets' fans had the opportunity to watch NFL football in comfort and safety, in modern, clean surroundings, with proper facilities, adequate parking and good football sight-lines.

In addition, Hess continued to provide the Jets' players and staff with outstanding facilities by building an ultra-modern lockerroom at the Meadowlands and by improving the Weeb Ewbank training complex at Hofstra University with a new AstroTurf field, a new lockerroom and weightroom and additional offices.

In 1983, Hess was an honored recipient of the Distinguished American Award at the National Football Foundation and Hall of Fame Dinner. Past winners of that award have included Vince Lombardi, Bob Hope, Jimmy Stewart, Bill Carpenter and Fr. Theodore Hesburgh.

Hess, the sole owner, has been totally involved in the development of the club since acquiring part of the franchise in 1963. He is chairman of the board of the Amerada Hess Corporation.

## **STEVE GUTMAN, President**

Managing an NFL franchise is a challenging task. When Jim Kensil took medical retirement on June 14 after 11 seasons as president of the Jets, the club had to look no further than its own organization to tab Steve Gutman as the man to assume those duties.

Since joining the team in 1977, Gutman served as the corporate treasurer-secretary and administrative manager. In that role he supervised the daily operation of the club and served on the Board of Directors. Gutman also directed all of the Jets' fiscal operations including player contract negotiations, tickets and marketing.

In his most recent position with the Jets, Gutman exhibited strong leadership and played a key role in the team qualifying for the playoffs two of the last three seasons, and four of the past seven.

Gutman has worked closely with Leon Hess, Joe Walton, Jim Royer and Mike Hickey to keep the Jets a playoff caliber team through trades and wise drafting to bolster the club for the present and future.

"There's no question that we will be a younger team and our goal is to compete so well with the teams we play on a regular basis that we win our division," said Gutman. "We've been in the playoffs two of the last three years as the wild-card team, now we must set our sights to winning the AFC East."

Working closely with former team president Jim Kensil the past 11 years, Gutman agrees with the philosophy of building the club through the draft. Entering the 1988 training camp, the draft has provided 35 players including 17 starters, 6 of whom have been named to the Pro Bowl during their careers.

Gutman has been a respected figure around NFL circles. He served as the economic consultant to the NFL Management Council during the 1982 collective bargaining sessions with the NFLPA. He has been a member of the NFL coaches and front office pension plan committee.

Prior to joining the Jets in 1977, Gutman was executive director of the Westchester County Guidance Center in New Rochelle. He has had extensive experience as a financial consultant in areas of securities, research, sales, underwriting, investment banking and management.

Gutman received his BS in accounting and MBA in corporate finance from New York University. He was born Jan. 24, 1935 in the Bronx, New York. He and his wife, Carol, have three children, sons Fred 31, Rob 26 and daughter Elise 29. Gutman and his wife reside in Manhattan.

## JOE WALTON, Head Coach

"Rebuilding? No, I'd say refurbishing with a look to the future. We must have the patience to work with young people this season. There will be a new blend that will develop. As a football coach I hate to think of 'rebuilding' and I don't. I don't think that's what we have to do. But make no mistake, we have to recharge ourselves. I think we need that young spirit to add to our corps of veterans who have proved they can win."

"We have the nucleus with which to work. We have talent on this team. Maybe not as much talent as some people think. But more than some others think. We have to get healthy, a problem that has concerned us for all the years that I've been here. But more important maybe is that we have to regroup and get back to being one. We have to get back to caring about each other. Caring about our teammates, being New York Jets and our fans."

"We have a good organization. One that has won in the past and knows how to win. One that is capable of winning. As an organization, football staff and players, we have to get back to wanting that. We have to rededicate ourselves to hard work and playing with enthusiasm."

"Believe me, we know we have a lot of work ahead of us. We have a lot of holes to fill. We have a lot of questions to answer. And we are in a division that is on its way up. It's a division on the move. A balanced and very competitive division."

"Our object is to make those repairs and to be competitive while striving to make the playoffs," said Walton who will continue to emphasize his philosophy of the game—hard work, dedication and enthusiasm breeding success.

Walton, who is the only winning coach in Jets' history with a career record of 41-38, saw the Jets drop to a disappointing 6-9 mark in 1987 following two consecutive years in the playoffs. Frustrated by uncontrollable things such as injuries to key personnel Wesley Walker, Freeman McNeil, the entire secondary as well as a disruptive players strike, Walton kept the Jets in the playoff hunt until the final 2 games. With Walton running the Jets' offense, the team has been in the playoffs four times in the last seven years and his efforts have been recognized.

"I think the key to the Jets is Joe Walton," said Seattle LB Keith Butler. "He has a good offensive scheme that's hard to defend. If they're executing, they're tough because he does so many different things. Most offenses have tendencies you can call a defense by. He switches it up so much and runs so many different plays, I don't see how they execute so well. Denver and the Jets are the toughest to stereotype because they deal in confusion quite a bit."

Walton has never hesitated to make moves in the past to improve

## WALTON (continued)

the team and they have proved to be successful. This past offseason Walton saw the opportunity to add former NFL great Wally Chambers to tutor the defensive line and hired him from the college coaching ranks. Prior to the 1985 season he made a bold move to get a more aggressive defense and hired Bud Carson, who installed an attacking 3-4 defense. And it was Walton who realized that QB Ken O'Brien needed a personal tutor and brought in veteran QB coach Zeke Bratkowski for the job. To improve the offensive line, it was Walton who decided to switch Dan Radakovich, who had coached the powerful Steeler offensive line in the 70's, from linebacker coach to offensive line. Those decisions paid off as all those areas have shown great improvement.

"Every coach has certain types of people he likes. Joe's type are hard workers and tough guys," said quarterback Pat Ryan. "We've got guys on this team whose skills aren't the greatest, but they find a way to win. Joe's strengths are organization and consistency."

Walton took over as head coach in February, 1983, after serving as the Jets' offensive coordinator the previous two seasons, where he played a major role in the club's successive appearances in the playoffs. With Walton calling the plays, the Jets' offense ranked third in the NFL in the 1982 regular season and produced 454.0 yards per game in playoff victories against Cincinnati and the Raiders.

Walton's value is recognized by not only the Jets, but others in the world of professional football.

"I remember Pat Summerall (Walton's teammate on the 1961-63 Giants) telling me that Joe Walton was the smartest player on the field," said CBS color commentator and former NFL coach John Madden. "He said that Joe knew what every player was doing on every play. You had to have him in the huddle."

"I always felt Joe had one of the most creative minds in football," said Hall of Fame QB Y.A. Tittle. "He was trying things way before others did. He was one of the first people to use men in motion. In 1970, he was way ahead of most of the passing theorists in the NFL, the way he dictated what a defense had to do."

"Joe was the best offensive coordinator there ever was," said former Giants player and head coach Alex Webster. "When he ran our offense, we didn't have the greatest personnel in the world, but with his help we had the top rated QB (Norm Snead), the top receiver (Bob Tucker) and the leading runner (Ron Johnson)."

Walton joined the Jets in 1981 after coaching with Washington from 1974 and serving as its offensive coordinator since 1978. He is credited with the development of Redskin QB Joe Theismann. Under Walton, he was the second rated passer in the NFL in 1979 behind Roger Staubach. Washington experienced only one losing season during his seven years there while compiling a 61-43 record.

"Joe Walton is a special kind of guy," said Theismann. "We became two bodies in one mind while he was here. I spent more time with Joe than I had with any one member of my own family. I consider the time I was with him an invaluable experience."

Walton was in charge of the receivers and passing game for the Giants from 1969-73. He tutored both Fran Tarkenton and Norm Snead during that era. Snead won the NFL passing championship and went to the Pro Bowl in Walton's last season with the Giants, 1973. Tarkenton went to the Pro Bowl under Walton in 1969 and 1970. Walton did some radio work before joining the Giants' staff as a scout from 1967-68.

Walton was Washington's second round draft choice in 1957 and played four seasons before being traded to the Giants in 1961. He played tight end for the Giants, who won championships in all three seasons he played there. Walton caught 95 passes for 1,321 yards and 17 TDs during that time.

In his overall career he caught 178 passes for 2,623 yards and 26 TDs. Walton was called by Y.A. Tittle "the best third down receiver in the game, bar none", while Walton claims that "Tittle was probably

the most influential man in my ideas about the passing game and total offensive picture".

Walton, despite standing only 5 feet 10 inches and weighing 185 pounds, played tight end and linebacker for three years at the University of Pittsburgh and won All-America ranking.

As a rookie with the Redskins in 1957, Walton was originally tried at left cornerback (Don Shula was the right cornerback) before being moved to his natural position, tight end.

His introduction to football came a lot earlier than that, though. Walton's father, Frank, was an All-America guard at Pittsburgh, played in the first College All-Star game in 1934 and went on to play for the Redskins when they were still the Boston Redskins. Walton's father, nicknamed "Tiger", served as a player/assistant coach when the team moved to Washington in 1944-45. In 1946, at the age of 11, Joe Walton started week-ending at Pittsburgh Steeler camps, where his father served as their offensive line coach.

The grandson of Italian immigrants, Walton's family came to this country with the surname Tataseo. "My grandfather, who came over when he was 17, changed our name," said Walton. "He was working on the railroad and I guess he wanted a name that was easier to pronounce. I heard he used Wilson first, but that was too common, and he kind of settled on Walton."

Although football is a very important part of Walton's life, he is a strong family man who enjoys spending time in his East Islip, NY home. Walton relaxes by working out and playing golf.

Walton was born Dec. 15, 1935 in Beaver Falls, PA. He and his wife, Ginger, have three children: daughters Jodi 25, Stacy 23 and son Joseph Jr. (Tiger) 16, who is the starting QB at East Islip High.

## 1987 JETS GAME-BY-GAME

**Sept. 13, JETS 31, at BUFFALO 28 (76,718)** — Sunny, warm. The Jets got off to a slow and rocky start with QB Ken O'Brien sacked three times and tossing 1 int. in the 1st quarter, but when things settled down the offense came to life and the defense, sparked by Bob Crable's big int., staved off the Bills' comeback for an opening day 31-28 win at Buffalo. After trailing 7-0, O'Brien brought the Jets back with a 55-yard TD pass to Wesley Walker and directed the Jets on a 2-minute march of 62 yards culminated with a 4-yard strike to Mickey Shuler for a 14-7 halftime lead. Pat Leahy's 29-yard FG boosted the margin to 17-7 and from there on out it was a matter of trading scores. Jim Kelly got a hot hand and led the Bills to 3 2nd half TDs, but Johnny Hector scored twice for the Jets in the 4th quarter with the big score coming after Crable's int. of Kelly at the Bills' 4-yard line. Joe Walton chose to go for the TD on a 4th and 1 situation and Hector scored what proved to be the winning points. "I felt like we had to get a touchdown out of it. I had faith Johnny would fly, and Johnny flew." The Jets controlled the ball for 38:03 and 83 plays for 394 yards.

The Jets broke open a tight game in which they led 6-3 at halftime, with a 37-point 2nd half explosion for a convincing, 43-24 win over the New England Patriots on Monday night TV at the Meadowlands. The combination of the passing of QB Ken O'Brien and a pass rushing defense, led the way for the Jets' 2nd victory and a spot all alone atop the AFC East. NY's defense rushed the Patriots' QB Tony Eason and produced 5 sacks, 1 int. and a fumble recovery which led to a quick Jets score right after the O'Brien-to-Toon shocker. The Jets' DE Marty Lyons also added a key safety which constantly kept the margin at 12 or more points, forcing the Patriots to be thinking 2 TDs or more. Johnny Hector and Nuu Faafola each scored twice and Hector added 75 yards rushing and 29 more receiving. When NE drew close at 20-10, JoJo Townsell broke a 60-yard KOR to boost the score to 27-10. **Oct. 11, at INDIANAPOLIS 6, JETS 0 (34,927)** — Indoors. "It was a good old fashioned defensive battle," said Joe Walton in describing the Colts' 6-0 blanking of the Jets. Indianapolis made 2 field goals by Steve Jordon of 35 yards in the 2nd quarter and 25 yards in the 3rd period stand up as the Jets suffered their first shutout since the opening day of the 1985 season. Both teams' defenses played well, while the offenses had trouble being consistent and moving the ball. New York held the Colts to 270 yards total offense, but could manage only 211 yards of total offense—145 in the air and only 66 on the ground. The Jets had an early chance to score, but missed a 46-yard FG. With the Colts up 3-0, the Jets had their best chance of the day when they recovered the opening kickoff of the 2nd half at the Colts' 20, but they failed to score when Pat Raqua's 33-yard FG attempt was wide.

Ryan, making his first start since the 1986 playoffs, had career highs in all departments throwing for 4 TDs while completing 30-49 for 301 yards with 2 int. Following an int. by safety George Radachowsky, who returned the ball 45 yards to the M31, Ryan moved the Jets for the winning tally. The victory came on Ryan's rollout throw of 8 yards to RB Eddie Hunter with only 34 seconds remaining. The Jets overcame an early 10-0 Dolphin margin, and led 31-17 in the 4th quarter when Miami came back to tie at 31 with only 1:01 remaining in regulation. In OT, the Dolphins intercepted Ryan once, but the Jets intercepted Miami's QB Kyle Mackey twice, the last one by Radachowsky at the NY 24 set up the winning TD. The 2 teams produced 68 points and 891 yards of total offense. The Jets ran for 183 yards. Mackey was 55-26-298 yards—2 TD-5 int. It was the 2nd straight year that the Jets defeated the Dolphins in OT at the Meadowlands.

**Oct. 25, at WASHINGTON 17, JETS 16 (53,497)** — Sunny. In the first game after the strike, Washington came back from a 16-7 deficit to beat the Jets, 17-16 with 10 points in a 5-minute span in the 4th quarter. The Redskins got the game-winning points with 54 seconds remaining on a 28 yard FG by Ali Haji-Sheikh. Washington narrowed the gap to 16-14 on a 2-yard TD pass from Jay Schroeder to Kelyn Bryant completing a 61-yard, 6-play drive. The Jets failed on a desperation 62-yard FG after the Redskins took the 17-16 lead. Washington took a 7-0 lead in the 2nd quarter, but the Jets chipped away with Pat Leahy FGs of 35 and 25 yards in the 2nd and 3rd quarters. Then New York took advantage of a Redskin fumble and Kenny O'Brien hooked up on a 15-yard TD pass to Mickey Shuler for a 13-7 lead. After failing to score a touchdown from inside the W12, the Jets were forced to settle for a 3rd Leahy FG and a 16-7 lead with 10:38 remaining. The Jets stemmed one Washington rally with an int., but the Redskins made the big plays at the end for the victory. Shroeder was only 15-38, but passed for 275 yards and 2 TDs. O'Brien was 18-27-174-1-1. The Jets could muster only 74 yards rushing. Al Toon was 9-97.

**Nov. 1, INDIANAPOLIS, 19, at JETS 16 (60,863)** — Clear. The Colts spoiled the Jets retirement of Don Maynard's No. 13 jersey and kicked the Jets, 19-14. Indianapolis dominated the Jets at the line of scrimmage and put constant pressure on QB Ken O'Brien (7 sacks) and shut down the NY running game (101 yards) in addition to recovering 2 fumbles and making 1 int. Offensively, it controlled the ball behind the rushing of Albert Bentley (29-145 and a team total of 186) and the passing of Jack Trudeau (14-23-192-1 TD—flea flicker of 44 yards to Matt Bouza). Dino Biasucci kicked 4 FGs of 36, 45, 38 and 33 yards. Johnny Hector led the Jets offense with a pair of TD runs of 12 and 20 yards. The Jets tried to make a run at the Colts cutting their lead to 19-14 with 8:30 remaining, but the Colts snuffed out that final bid with a pair of sacks and an int. and then ran the clock out after getting to the NY6.

**Nov. 9, at JETS 30, SEATTLE 14 (60,452)** — Steady rain. The Jets got their emotion back and with it came a solid defensive effort, some big plays by the special teams, and timely plays by the offense for a 30-14 victory on Monday over Seattle. The Jets jumped to a 10-0 halftime lead on JoJo Townsell's 91 yard PR and a Pat Leahy FG of 35 yards and then saw Seattle go on top following a series of Jets' miscues. The Seahawks recovered a muffed punt by Townsell at the NY3 and scored on the next play and took advantage of 3 Jets' penalties for possession at the NY28 and scored in 2 plays on a David Kreig to Steve Largent pass of 29 yards. The Jets came right back, however, with Ken O'Brien driving the club 82 yards in 11 plays with the TD coming on a 4-yard pass to Billy Griggs. A shanked 15-yard punt by Seattle gave the Jets the ball on the S45 and the Jets took advantage with a 6-play drive culminated by Johnny Hector's 1-yard drive for a 27-14 lead. The Jets special teams made their 3rd big play of the night recovering a fumbled snap on a punt that led to Leahy's 3rd FG of 26-yards and the final score of 30-14. The Jets' defense came up with 2 Harry Hamilton int., a recovered fumble by Scott Mersereau, and a pair of sacks while holding Seattle to only 275 yards. O'Brien was not only sharp with 23-30-226-0-1 TD, but also bought time with good pocket movement and 5 scrambles for 22 yards. O'Brien spread his passes around to 8 players. Johnny Hector was 20-63 in his starting role and Freeman McNeil 7-42 rushing and 3-34 receiving.

**Nov. 15, JETS 16, at KANSAS CITY 9 (40,718)** — Steady rain. The Jets handled a lot of the old bugaboos enroute to an important 16-9 win over Kansas City to remain tied for the AFC East lead. It was a short week and it was off of a big, emotional win (the Jets beat Seattle on Monday night, 30-6). It was on the road. And the Jets came into the game with 4 starters out (RB Johnny Hector, WR Wesley Walker, TE Mickey Shuler and RCB Russell Carter) and they lost another in the game LCB Jerry Holmes. And lastly, it was a miserable day for an offense—heavy rains and 15-25 mph winds. After the 2 teams traded a pair of FGs making it 6-6, the Chiefs drove to the NY4 for a 1st down. But the Jets defense held and the Chiefs kicked an 18-yard FG for a 9-6 lead. The Jets came right back with what proved to be the game winner. They drove 63 yards in 9 plays—7 of them runs for 42 yards—and then the clincher, an 18-yard TD pass from Ken O'Brien to Al Toon. Carl Howard int. KC's Frank Seurer on the next series and the Jets again banged their way to set up Pat Leahy's 3rd FG of the game, a 21-yard insurance tally. Howard ended KC's last threat with his 2nd int. Freeman McNeil led NY's rushing attack with 26-184. O'Brien was 14-22-132-0-1. The Jets "D" held KC to 109 yards rushing, made 5 sacks and picked off 3 passes. The game marked the return of Joe Klecko to action.

**Nov. 22, BUFFALO 17, at JETS 14 (58,407)** — Windy, extremely cold. The Buffalo Bills broke open a 7-7 game with a touchdown and a field goal in the 3rd quarter and then held on for a 17-14 win over the Jets. New York scored first with a 32-yard TD pass from Ken O'Brien to Mickey Shuler for a 7-0 2nd quarter lead. But Buffalo took advantage of a Dave Jennings' punt into a strong wind that traveled only 19 yards to the J29 and 3 plays later Jim Kelly passed 25-yards for the TD. The Bills took the opening kickoff of the 2nd half and drove 68 yards in 10 plays and went up 14-7. On the next series, the Bills added Scott Norwood's 42-yard FG and that ended up being the difference. Buffalo's defense held the Jets in check until inside of a minute when the Jets culminated a 77-yard, 15-play drive with a tipped ball TD catch by Kurt Sohn. The Jets attempt for the recovery of an on-sides kick failed and the Bills and Jets ended up tied for the AFC lead at 5-5 with their other division rivals. Kelly was 21-33-214-1-1. O'Brien was 18-40-225-1-2 TD. Freeman McNeil was 20-103. Buffalo made 5 sacks and pressured O'Brien frequently. **Nov. 29, at JETS 27, CINCINNATI 20 (41,135)** — Steady rain. In a wild game, the Jets beat the Cincinnati Bengals, 27-20. Just before the 2:00 minute warning the Bengals lined up to attempt a 46-yard FG, but the warning came before the kick attempt was made (the ball was off target) and the Bengals got another shot. This time DT Barry Bennett hit Jim Breech's low kick and it was recovered and returned 67 yards for the winning TD by Rich Miano. The Jets got off to a 10-0 lead on a 22-yard pass from Ken O'Brien to Freeman McNeil and a Pat Leahy 24-yard FG, but Cincy came back with a TD pass from Boomer Esiason to Eddie Brown to make it 10-7. NY moved to 17-7 on Johnny Hector's 1-yard run, but the Bengals roared back and took a 20-17 lead in the 4th quarter on a 2nd Esiason TD pass and a pair of Breech FGs. The last TD was set up by a Bengals int. of O'Brien at the C3. Following Breech's FG, Harry Hamilton int. Esiason and gave the Jets the ball at the C27—7 plays later the Jets had to settle for a tie on Leahy's 21-yard FG. The Bengals int. O'Brien again and drove to the J28 where Breech had his FG blocked. The win kept the Jets tied for 1st place in the AFC with the Colts and Bills.

**Dec. 7, at MIAMI 37, JETS 28 (58,879)** — Miami jumped off to a 27-0 halftime lead and withstood the Jets comeback effort of 28 2nd half points, for a 37-28 victory which knocked the Jets out of a 1st place tie with the Colts. Miami scored 4 of the first 5 times it had the ball. The Dolphins opened the game with a 12-play, 80-yard TD drive and after failing on their 2nd chance with the ball, intercepted Ken O'Brien and returned the ball to the J1 from where they scored again. Miami then put together 2 more long drives, an 11-play, 90-yard march and a 13-play, 80-yard journey to put the Jets in a big 27-0 hole. New York opened the 2nd half with an O'Brien to Al Toon TD pass play of 44 yards and was on the board in 1:02. But Miami kept up the pressure with another 80-yard drive which ended in a FG after the Jets had a goal line interception nullified by being offsides. New York scored on its next 2 possessions and narrowed the margin to 30-21 before Miami tallied again making it 37-21. The Jets tried once more with Bobby Humphrey recovering a Miami fumble and returning it 46 yards for a TD and a 37-28 margin with 7:59 remaining in the game. The Jets, though, came up short as Marino and Troy Stradford were the big offensive leaders for the Dolphins. Marino was 29-40-293-0-1 TD and Stradford was 30-120-3 TD and 3-20 receiving. O'Brien was 18-25-237-1-1 going 13-15-188 in the 2nd half. Toon was 5-100-1 TD. Miami controlled the ball and the clock for 81 plays and 43:39. **Dec. 13, at NEW ENGLAND 42, JETS 20 (60,617)** — Windy, cold. The Jets ran into a buzz saw at New England and watched Steve Grogan carve them up with 4 TD passes, plus a run for one and a 42-20 whipping. "We got our butts kicked," said Joe Walton. Grogan threw 2 TD passes to Cedric Jones and 1 each to Stephen Starring and Irving Fryar. New England drove for a TD on its first possession and the Jets answered back with a field goal, but then the Patriots took command. They took advantage of a Ken O'Brien fumble and Grogan completed a 33-yard drive with a 2-yard run. After Mickey Shuler fumbled to the Pats on the Jets' next possession, Grogan hit Fryar for the TD and a 21-3 lead. The Jets closed to 21-6, but Grogan wasn't done yet and he passed for 2 more TDs for a 35-6 halftime lead and the ball game. For the day he was 11-18-180-0-4 and ran for 1 TD. **Dec. 20, PHILADELPHIA 38, at JETS 27 (30,572)** — Cold, rain. The Jets reached back to overcome a 10-0 early Eagles lead and rallied for a 17-10 reversal, but Philadelphia took advantage of Jets errors for 21 points and a 38-27 victory. After Philly led by 10, the Jets got 17 quick points with a 42-yard Pat Leahy FG, a 9-yard TD pass from Ken O'Brien to Kurt Sohn and a Roger Vick 5-yard TD run. And just when it looked like the Jets might add to their margin as they recovered an Eagle fumble at the P37, they turned it back on O'Brien's fumble 3 plays later. The Eagles took advantage and scored 4 plays later. They added another before the half while the Jets chipped away with a FG to narrow the margin to 24-20. Philly started the 2nd half by marching 75-yards for a TD and then it turned Vick's fumble into another score 3 plays later for a 38-20 lead. The Jets got their final score on O'Brien's 51-yard TD pass to Al Toon. Randall Cunningham had an outstanding day going 19-31-280-3 and running 5-47. Mike Quick was 6-148-2 TD. O'Brien was 23-49-301-0-2 TD. Toon was 10-168-1

**Dec. 27, at GIANTS 20, JETS 7 (68,318)** — Cold. After dominating the action early in the game, the Jets wore down to drop the 1987 finale to the Giants. While controlling the ball for over 10 minutes in the 1st quarter, the Jets opened a 7-0 lead which could have been higher had Pat Leahy not suffered his 1st missed FG under 40-yards in 37 tries (38-yard attempt). The games' 1st turning point occurred when Al Toon suffered a 1st quarter concussion which forced him to miss the rest of the game after catching 3-35 early on. The other turning point happened when the Jets, with a 7-3 lead in the 2nd, attempted a fake FG. Under pressure, Pat Ryan's pass went through Billy Griggs' hands. The Giants took over on their 5 and marched 95 yards for the go-ahead TD. The Giants then drove 60-yards in the final 59 seconds of the 1st half to score another TD with :08 left for a 17-7 lead. The Jets controlled the ball for just 9:03 in the 2nd half with the Giants defense holding them to just 3 first downs and 70 yards. The Giants were paced by Joe Morris' 26-132 rushing and Mark Bavaro's 6-109-1 TD receiving.

## EWBANK, NAMATH & MAYNARD — HALL OF FAMERS

Weeb Ewbank, who guided the Jets for more than a decade, was inducted into the Pro Football Hall of Fame on July 29, 1978. Joe Namath, his QB, joined him in the Hall on Aug. 3, 1985 and Don Maynard, his top WR, entered on Aug. 8, 1987.

The former Jets' (1963-73) and Colts' (1954-62) head coach achieved a distinction that will never be matched—the only coach to win world championships in both leagues. Weeb led the NFL champion Colts team in 1958-59. He joined the Jets in 1963 and developed the team that shocked the Colts in Super Bowl III.

Namath, the Jets' all-time passing leader with 1,886 of 3,762 for 27,663 and 173 TDs, was a Pro Bowl selection 5 times and first QB to pass for more than 4,000 yards (1967 in 14-game season). He was MVP in Super Bowl III victory.

Maynard (633-11, 834-88 TDs) has the 2nd most yardage and TD catches in NFL history and still holds the NFL mark for 100-yard games with 50. A 4-time All-Star pick, his most memorable game was his 6-118-2 TDs in the 1968 AFC Championship over Oakland to put the Jets in the Super Bowl.

## 1968 AFL CHAMPIONSHIP

DEC. 29, 1968 — SHEA STADIUM

NEW YORK 27, OAKLAND 23

The New York Jets climaxed their finest season in history (11-3) by scoring a 27-23 victory over Oakland. A title game record crowd of 62,627 sat in on the chilly and windy proceedings at Shea Stadium and saw Joe Namath toss three touchdown passes.

Despite the fact that Namath attempted a record 49 passes, the Jets still mixed their attack. Matt Snell and Emerson Boozer gained 71 and 51 yards, respectively, behind fine blocking from the front line.

The Raiders carried the game down to the final minutes before Lamonica's lateral pass for Charlie Smith rolled free and was recovered by the Jets' Ralph Baker.

The victory gave head coach Weeb Ewbank the honor of being the only coach to win titles in both the NFL and AFL.

## SUPER BOWL III

JAN. 12, 1969 — MIAMI ORANGE BOWL

NEW YORK 16, BALTIMORE 7

Defying the oddsmakers (17½ point underdogs) and the strength of traditions, the Jets became the first AFL team to win the Super Bowl by rumbling over and through the Baltimore Colts to record a 16-7 triumph.

As it was in the AFL championship contest, Joe Namath led the way. The all-pro quarterback directed the Jets' attack flawlessly, driving the team to a second quarter touchdown by Matt Snell (four yards) and three second-half field goals by Jim Turner. Snell had an outstanding game, gaining 121 yards on 30 carries.

The defense shared at least as much glory as the offensive unit, intercepting the Colts four times. Randy Beverly picked off two; Jim Hudson and Johnny Sample, one each. The defensive unit harrassed Colts' quarterbacks Earl Morrall and Johnny Unitas all afternoon, allowing them to complete only 17 of 41 passes. The victory was the third in World Championship competition in as many tries for Weeb Ewbank and made him the only man ever to coach world champions in both the AFL and NFL.

DEC. 20, 1969 — SHEA STADIUM

**KANSAS CITY 13, NEW YORK 6**

The game was a classic battle of defenses, played in remarkably cold and windy conditions before a sellout 62,977 fans. Through the first three quarters, neither team could penetrate for a touchdown and the score stood at 6-3 for the Chiefs. Jim Turner had put New York out in front, 3-0, with a 28-yard field goal the first time the Jets had the ball, but the Chiefs' Jan Stenerud retaliated with a 23-yarder on the next series.

Not until the fourth quarter did the breaks occur. With first and goal on the one-yard line, three cracks, including a Joe Namath bootleg, failed to bring a touchdown. Turner then kicked a 7-yard field goal to tie it, 6-6.

Two plays later Kansas City was in the end zone. Len Dawson hit Otis Taylor for a 61-yard pass play to take the Chiefs to the Jet 19. Then Dawson fired the final 19 yards to Gloster Richardson for the only TD of the game.

Namath threw 20 passes over the next two Jets' series, but a fourth down incompletion and a Jim Marsalis interception thwarted the Jets and put Kansas City on the road to the world championship.

## 1981 AFC WILD-CARD PLAYOFF

DEC. 27, 1981 — SHEA STADIUM

### BUFFALO 31, NEW YORK 27

In one of the most exciting playoff games ever played, the Buffalo Bills hung on to defeat the Jets, 31-27 as Bill Simpson made an interception on the two-yard line with time running out.

The Bills scored on the opening kickoff when they recovered a Bruce Harper fumble and quickly built that to a 24-0 second quarter lead. The Jets rallied in the third quarter to make it 24-13. The game appeared over as Joe Cribbs busted a 50-yard TD to give Buffalo a 31-13 lead with 10:16 left.

The Jets refused to die, however, and with Richard Todd at the controls, New York scored 2 quick TDs and were now down 31-27 with 3:44 to go. A swarming defense forced the Bills to go three and out and with 2:36 left and the goal line 80-yards away, Todd started the Jets on their march. They drove to the Bills 11-yard line with 14 seconds on the clock, but Simpson made his game-saving interception and the Jets' season ended.

## 1982 AFC PLAYOFF

JAN. 9, 1983 — CINCINNATI RIVERFRONT STADIUM  
NEW YORK 44, CINCINNATI 17

The Jets mixed up solid and hard hitting football with a measure of razzle dazzle on offense and gimmicks on defense to beat the Bengals at Cincinnati in round one of the NFL Super Bowl tournament. The Bengals jumped to leads of 14-3 and 14-10 and were threatening to score again, when the Jets' defense might have made the play of the day. Nickel back Johnny Lynn made an interception at the J1 and with Freeman McNeil leading the way behind an awesome performance by the offensive line, the Jets surged to a 17-14 lead which they never surrendered. McNeil was the "cannon" being shot by Richard Todd 21 times for 202 yards and one TD.

## 1982 AFC PLAYOFF

JAN. 15, 1983 — LOS ANGELES MEMORIAL COLISEUM  
NEW YORK 17, L.A. RAIDERS 14

The Jets spring upset number two in the 2nd round of the Super Bowl tournament, beating the Raiders to enter the AFC championship game. Richard Todd's 45-yard pass to Wesley Walker set up the winning one-yard TD run by Scott Dierking, but it took a pair of Lance Mehl interceptions in the last 3 minutes to wrap it up for the Jets. New York jumped to a 10-0 lead on a 20-yard TD pass from Todd to Walker and a Pat Leahy FG, but the Raiders came storming back in the 2nd half to take a 14-10 lead. The Jets came back to take the lead at the 3:45 mark following the Todd to Walker bomb, but the Raiders still had plenty of time. It looked as if the Jets had put the Raiders away when Mehl intercepted Plunkett at the LA27 with only 2:49 left, but the Raiders got one more chance when they recovered a McNeil fumble at their own 33 with 2:26 to go. Then Mehl made his clinching interception and this time the Jets ran out the clock.

## 1982 AFC CHAMPIONSHIP

JAN. 23, 1983 — MIAMI ORANGE BOWL

MIAMI 14, NEW YORK 0

On an extremely muddy field at Miami's Orange Bowl, the Jets and Dolphins waged a defensive battle which ended with Miami on top 14-0 to earn a trip to the Super Bowl. A.J. Duhe was the hero of the game which saw a total of 12 turnovers, with three interceptions, returning the final one 35-yards for a touchdown early in the fourth quarter. Woody Bennett ran seven yards for the first Miami touchdown on the Dolphins' first possession of the third quarter, capping a 48-yard, seven-play drive following Duhe's second interception. The poor field conditions severely hurt the Jets' rushing attack as Freeman McNeil, who had rushed for 303 yards in the previous two playoff wins, was limited to only 46 yards on 17 carries due to the footing. It was the first time in NFL playoff history that two teams were deadlocked at 0-0 at halftime. The Jets passing game was also hindered as Richard Todd was intercepted a record-tying five times by Miami. The New York defense held Miami to only 198 net yards, intercepted David Woodley three times and forced three fumbles.

## 1985 AFC WILD-CARD PLAYOFF

DEC. 28, 1985 — GIANTS STADIUM

NEW ENGLAND 26, NEW YORK 14

New England came out on top 26-14 in a game that saw the Jets self-destruct. The Jets committed 4 costly turnovers which led to 17 Patriots points. New England, which went on to win the AFC championship, played an almost flawless game with no turnovers and only 1 penalty. The Jets were ahead 7-6, and driving late in the 2nd quarter when Ken O'Brien was intercepted on the 7-yard line. New England came back with a TD pass from Tony Eason to Stanley Morgan on a blitz 6 plays later. O'Brien suffered a concussion on the final play of the half on an Andre Tippett sack and would only play the first series of the 2nd half. Before Pat Ryan could relieve him though, New England added a FG and then scored a TD when the ensuing kickoff was fumbled by Johnny Hector and returned 15-yards by Johnny Rembert. With the Jets trailing 23-7, Ryan came in and directed a TD drive.

## 1986 AFC WILD-CARD PLAYOFF

Dec. 28, 1986 — GIANTS STADIUM  
**NEW YORK 35, KANSAS CITY 15**

Joe Walton started Pat Ryan to give the team an emotional lift — they got just that from Ryan plus a key running play and a 3-TD passing performance along with Freeman McNeil's 135-yard rushing to spark the Jets' first home playoff win since 1968. Trailing 6-0, Ryan ran a QB draw for 24 yards from the KC33 on a 4th & 6 play to set up the Jets' go ahead TD. On the ensuing series 1st down, the Jets defense forced a KC fumble and Ryan concluded a 12 play, 47-yard drive with a 1-yard pass to McNeil. Just prior to the half, Ryan hit Al Toon with a TD pass for a 21-6 halftime edge. The Jets nailed the victory on the 1st play of the 2nd half when Kevin McArthur swiped a Todd Blackledge pass and dashed 21 yards for a 28-6 margin. The Jets' defense allowed a season low 241 yards total offense and had 2 sacks, 2 INTs and 1 recovered fumble.

## 1986 AFC DIVISIONAL PLAYOFF

Jan. 3, 1987 — CLEVELAND STADIUM  
**CLEVELAND 23, NEW YORK 20 (2 OTs)**

In the 3rd longest game in NFL history (77:02), Cleveland staged an incredible comeback to send the game into OT before Mark Moseley's 27-yard FG advanced the Browns to the AFC Championship game. With Pat Ryan at QB, the Jets jumped on top 7-0 following a flea-flicker 42-yard TD pass from Ryan to Wesley Walker. Ryan was forced to leave the game in the 2nd quarter with a groin injury and was replaced by Ken O'Brien. Meanwhile, the Jets defense was outstanding holding the Browns to just 10 points and 302 total yards late in the 4th quarter. Immediately after a Jerry Holmes interception, the Jets took a 20-10 lead on Freeman McNeil's 25-yard TD with 4:14 remaining in regulation. Kosar led the Browns 68 yards to set up Kevin Mack's one-yard run to make the score 20-17 with 1:57 left. Cleveland's defense forced the Jets to punt with :51 left before Kosar's 37-yard pass to Webster Slaughter to the 5-yard line set up the tying 22-yard FG. The Jets got a 2nd life when Moseley missed a 23-yard FG 6:06 into OT, but he redeemed himself by kicking the winning 27-yard FG on a first-and-goal play from the J9.
